1. **Revise the proposal submittal deadline to Friday, July 30th**. This extension is to **a**)respond to proposer requests for more time to prepare their proposals, and **b**)allow all proposers time to revise their proposals to accommodate a technical scope revision to simplify the on-board bus system integration requirements. This scope revision is described in the notice to be issued 6/2.

2. **Clarify the requirements regarding "Reconciliation and Settlement**".

3. **Correct Appendix A quantity summaries**.

4. **Revise Price Sheet Quantities**

Additionally, proposers are advised that the Washington State Legislature has amended the State Public Disclosure Law (RCW 42.17.310) to provide confidentiality for certain public transportation information. The full text of this law is posted on the Project web site noted above.

If you do not have access to the Project web site, please contact Steve Cole, King County Procurement Supervisor at 206-689-5246 (voice) or 206-684-1470 (fax), and he will be happy to provide you with hard copies of the information referenced in this notice. Per King County procurement rules, all communication regarding the RFC Project must be directed to Steve Cole. Do not directly contact Project or agency staff.

We appreciate your interest in this Project and very much look forward to receiving proposals on **Friday, July 30th**. Thank you.
